You may use photos, drawings, maps and so on to make this 'self-introduction' page.

ESSAY

1. What kinds of things would you like to do while you are in Japan? Explain any goals you have for your trip to Japan.

2. How do you plan to prepare for your trip to Japan?

Labo In-Japan Program

PARTICIPANT AGREEMENT

I recognize the opportunity this exchange trip offers to me. I am aware that my behavior will reflect on my family, home, community and country and that many people will base their opinions of Canadian youth on me, and my actions. Therefore, I pledge to cooperate in every way to make this trip a rewarding and positive experience.

I AGREE TO:

1. Follow schedules and attend all planned meetings.
2. Remain in assigned areas at all times.
3. Show courtesy at all times, especially in restaurants, hotels and public places.
4. Leave sites and public areas neat and clean.
5. Respect the suggestions of all adults connected to this program, even if they are not my assigned chaperone, and even if they are from other countries or organizations.
6. Dress appropriately at all times while in public.
7. Participate in the life of my host family, in camp activities, and in meetings and other planned activities.
8. Show respect to my host family and others I meet in Japan.
9. Abide by the laws of Japan and my home country.

I AGREE TO REFRAIN FROM:

1. Inappropriate sexual behavior or public display of affection.
2. Profane, obscene or discriminatory language.
3. Accepting, carrying or using alcohol, tobacco, or illegal drugs.
4. Operating a motor vehicle of any kind.

I UNDERSTAND that while in Japan I am under the jurisdiction of my chaperon and the Japanese Labo Program.

I UNDERSTAND that misconduct on my part may result in my being sent home. If I am sent home due to misconduct on my part, or if I elect to return home before completion of the program for any reason, additional travel and related expenses will be the responsibility of my parents or legal guardian, and fees will not be refunded. If damage to property occurs, I can be assessed for the cost of replacement or repairs.

I AND MY PARENTS or legal guardian agree to indemnify and hold harmless all organizations involved in this exchange program against any claims, losses, expenses or payments resulting from any misbehavior on my part or any act, or failure to act, by me.

I HAVE READ, AND WILL ABIDE BY THIS AGREEMENT:

LABO IN-JAPAN PROGRAM

SEXUAL HARASSMENT POLICY

Sexual harassment is prohibited by Labo and will not be tolerated. All host family members, Labo staff and volunteers, and program participants are prohibited from engaging in any sexually harassing conduct.

Sexual harassment may be hard to recognize in certain circumstances. It can include making sexual advances; requesting sexual favors; touching or grabbing a sexual part of an individual's body; touching or grabbing any part of an individual's body after that person has indicated or it is known that the contact is unwelcome; exposing any part of one's body in an indecent and inappropriate manner; viewing sexual or intimate parts of another's body; displaying or transmitting pornography; using sexually vulgar or explicit language; or using electronic media to depict or "virtually" do any of the foregoing or similar things. This is not meant to be an exhaustive list of behaviors that violate this policy.

If a program participant believes he, she, or someone else has been the victim of sexual harassment, the program participant must immediately report it to a Labo chaperone or representative. Any Labo chaperone or representative who receives such a complaint must immediately notify the Executive Director, who will in turn notify the program participant's parent/guardian. Law enforcement may also be notified.

All complaints will be taken seriously and investigated promptly. Labo will protect the confidentiality of those involved to the extent that it is consistent with its need to examine voiced concerns or to cooperate in an investigation. Labo will also immediately take steps to cease contact between the program participant and the alleged harasser, including removing the program participant from a host family's home.

As mentioned above, program participants are prohibited from engaging in sexual harassment. Thus, engaging in any form of sexual conduct of any nature whatsoever with or towards any other program participant or host family member (including host siblings), regardless of their age or apparent consent, is prohibited. Violating of this policy is grounds for immediate expulsion from the program, in which case the program participant will be responsible for all costs incurred in sending the participant back to his or her home country.

I have read and understand the above policy and agree to abide by it.

Labo In-Japan Program

PARENTAL AGREEMENT

The Labo In-Japan programs are educational experiences that focus on creating deep and lasting interpersonal relationships between your child and their host family. In order to achieve this, Labo has a number of policies and procedures designed to help your child make the most of their time in Japan, to limit homesickness, and to limit misunderstandings by maintaining clear lines of communication. Please read the points below and sign at the bottom to indicate that you understand and agree to abide by these policies and procedures.

- Internet access is not guaranteed during the homestay. If the host family does have internet, then Labo limits the delegate's usage to 3 times a week for 30 minutes each time.
- Phone calls and video conferencing (Skype, Windows Live, etc) are not allowed during the homestay.
- Delegates should not bring laptops. However, other small electronics (Nintendo DS, iPods, etc) are allowed. Labo is not responsible for any damage, loss, or theft that occurs during the homestay.
- Delegates should not bring international cell phones or any other devices that will allow them to call overseas.
- In the event that a problem does arise during the homestay, the following chains of communication will be followed:

*Canadian Family ↔ Canadian Coordinator ↔ Tokyo Labo Staff ↔ Delegate -OR-
Host Family ↔ Labo Tutor ↔ Japanese Labo Staff ↔ Canadian Coordinator ↔ Canadian Family*

These communication chains ensure that everyone is kept in the loop, and limits misunderstandings that may arise from language and cultural differences.

- If any concerns arise during the homestay, please contact the appropriate person in a timely manner. Most issues end up being a simple breakdown of communication or a cultural misunderstanding. Labo has over 40 years of experience in international youth exchange and will mediate the problem. Both the North American parents and host parents should abide by Labo's decisions regarding plans of action.
- If the North American parents do not agree with Labo's course of action, they may remove their child from the program. However, they will be responsible for any additional costs incurred by ending the program early.
